3. Loading your OnePay Account

- a. Subject to clause 3(b), when your Modulr Account is credited the funds will be allocated to your OnePay Account and added to your Available Funds as soon as we receive them.
- b. We may not credit an incoming payment to your OnePay Account if:
 - i. Your OnePay Account has reached any of the OnePay Account limits set out in section 15 below;
 - ii. The sender has not given valid/correct details related to your OnePay Account;
 - iii. Your OnePay Account is inactive or suspended or terminated for any reason;
 - iv. We are not legally allowed to do so.

If any of the above apply, we may return the funds to the sender without giving any notice to you.

We may also return funds to the sender without giving notice to you where we have credited an incoming payment to your OnePay Account but we subsequently suspect this to be fraudulent.

- c. Until you have fully completed CDD, you shall be a Primary Customer. Funds may only be loaded onto a Primary Customer OnePay Account by electronic transfer by an employer or employment agency that has been verified by us using the Modulr Account details we have provided to them directly.
- d. After you have fully completed CDD, you shall be a Select Customer. We will provide Select Customers with their Modulr Account details. Funds may be loaded onto a Select Customer OnePay Account by electronic transfer from bank accounts held in the United Kingdom.
- e. If you have not completed full CDD within 12 months from application date, the OnePay Account and Modulr Account may be immediately suspended and/or terminated at our full discretion. We will communicate with you throughout the 12 months to remind you of your requirement to complete full CDD.
- f. If a party that has not been verified by us loads funds onto the OnePay Account before you have fully completed CDD, we may require you personally to provide such evidence of identity, residence and such other information as we may consider appropriate based on your circumstances and/or to comply with any applicable laws. We reserve the right to

suspend your OnePay Account until you have provided us with the requested information. We may, without stating reasons and with no right to compensation to you, refuse to activate your OnePay Account and to open a OnePay Account. You will be notified of this refusal by e-mail.

- g. Limits may apply to the number of times the OnePay Account may be loaded in any week and certain minimum and maximum load limits may apply, as set out in the Package, Fees and Limits Section 15 below for both Primary Customers and Select Customers.
- h. A load fee may apply for certain load methods (please see the Package, Fees and Limits Section 15 below).

4. Overpayments to your OnePay Account

- a. In the event that an overpayment(s) is made to your OnePay Account in error, we reserve the right to immediately debit your OnePay Account with the surplus amount without giving notice to you in order to correct the payment transaction.
- b. If someone mistakenly pays money into your OnePay Account, you give us permission to return it (or part thereof if you have spent part of it) without giving notice to you. You acknowledge we are required to provide sufficient details about you and the incorrect payment to the financial institution that sent the payment to help them to recover the funds.

5. Using your Card

- a. You may use your Card worldwide at any Merchant that displays the Mastercard acceptance mark, excluding limited acceptance Merchants in EU/EEA that do not accept prepaid products. We cannot guarantee that a Merchant will accept your Card.
- b. You may use your Card to set up a recurring payment.
- c. You will not be able to use your Card after this Agreement has ended, your Card has expired, has been cancelled or while suspended, or if your Card has been reported lost, copied, stolen, or its safety has been compromised.
- d. From time to time, your ability to use your Card may be interrupted, e.g. when we carry out maintenance, we need to address a technical issue, or if a Force Majeure Event occurs. If this happens, you may be unable to:
 - i. load the OnePay Account;
 - ii. use your Card for Transactions or obtain cash from ATMs (if applicable); and/or
 - iii. obtain information about Available Funds and/or about your recent Transactions.
- e. Certain spending/withdrawal limits apply to your OnePay Account (and are set out in the Packages, Fees and Limits Section 15).
- f. If you use your Card to make a Transaction in a currency other than GBP, then unless you've asked the ATM or card-terminal provider to do the currency conversion, the transaction will be converted into the foreign currency you have chosen using the Mastercard exchange rate. (You can check the exchange rate that Mastercard will apply and when at: <https://www.mastercard.us/en-us/personal/get-support/convert-currency.html>. In

addition, a foreign currency conversion fee will be charged (set out in the Packages, Fees and Limits Section 15). Our exchange rate is therefore made up of the exchange rate applied by Mastercard plus our foreign currency conversion fee detailed under Section 15 (this is the effective rate). You can compare the effective rate being applied to your transaction with the rates published by the European Central Bank (ECB) by using this [link](#). This shows the exchange rate of the Euro against a number of currencies. This can be displayed in either EUR to GBP or GBP to EUR format. The historic rates can be obtained by clicking on the graph. The ECB rate shown is then compared with the effective rate. To establish the difference as a percentage of the ECB rate (mark up), you will need to deduct the ECB rate from the effective rate; the difference will be divided by the ECB rate and by multiplying the result by 100, this will provide percentage mark up.

- g. We may at any time suspend or restrict your Card and/or your OnePay Account (including your use of the App or Online Portal) for the following reasons:
- i. If we are concerned about the security of the OnePay Account, Online Portal, App or your Card;
 - ii. If we reasonably suspect the OnePay Account, Online Portal, App or your Card is being used in an unauthorised, fraudulent or grossly negligent manner;
 - iii. If we believe this is necessary for security reasons;
 - iv. If we must do so in order to satisfy applicable law or regulation.

If we do so then we will notify you as soon as reasonably practical, unless we cannot for security reasons or are prohibited from doing so by law. We may tell other parties to a transaction regarding the existence of the suspension.

- h. If we take any of the steps referred to in Section 5(g), we may ask you to stop using your Card and either return it to us or destroy it. If after further investigations we have a reasonable belief that the circumstances leading to the suspension or restriction of your Card and/or OnePay Account no longer apply, we will remove the restrictions and/or issue you with a replacement Card as appropriate.
- i. In some circumstances Merchants may require verification that your Available Funds will cover the Transaction amount and initiate a hold on your Available Funds for that. Examples include rental cars. In the event a Merchant places pre-authorisation on the OnePay Account, you will not have access to these funds until the Transaction is complete or released by the Merchant which may take up to 30 days.
- j. If you use your Card at a fuelling station, subject to Merchant acceptance, your OnePay Account may need to be pre-authorised for a pre-determined amount in the relevant currency. If you do not use the whole pre-authorisation or do not have Available Funds to obtain a pre-authorisation, it is possible that the pre-authorised amount will be held for up to 30 days before becoming available to you again.
- k. If you are aged 16 or 17, you will not be able to use your Card for gambling transactions or with the following Merchants: bars, cocktail lounges, discotheques, nightclubs and taverns, cigar stores and stands and any other Merchants we restrict from time to time for age related reasons.

- I. You must not use your OnePay Account for business purposes.

6. Authorising Transactions

- a. You will need to authorise each Transaction. This includes authorising any single or recurring Transaction or pre-authorising future Transactions of a certain or uncertain amount.
- b. A Transaction may be regarded as authorised by you where you have authorised the Transaction at the point of sale by following the instructions provided by the Merchant, which may include:
 - i. entering your PIN or providing another Security Detail;
 - ii. your signature;
 - iii. providing your Card details and/or providing your Security Details and/or Safeguard System as requested;
 - iv. use your Card for Contactless Transactions, where possible;
Once you have authorised a Transaction we will deduct its value from your Available Funds immediately.
- c. You must also comply with any additional third-party terms connected with the use of your OnePay Account (for example, those of a Safeguard System).
- d. Only future dated authorised Transactions may be withdrawn by you by giving notice to the Merchant (providing a copy of the notice to us if requested) as long as such notice is provided no later than the close of business on the Business Day before the Transaction was due to take place.
- e. If you have authorised a Transaction with a Merchant for an uncertain amount and you were charged more than you could have reasonably expected you have a right to a refund from us if you inform us within eight weeks of this Transaction having taken place. You will not be given this right if you directly consented to this Transaction and information about the Transaction has been made to you by the Merchant four weeks prior to the Transaction.

7. Third party Access

- a. You can choose to allow an authorised Third Party Provider ("TPP") to access information on your online OnePay Account to enable them to provide account information services to you.
- b. The Financial Conduct Authority and the European Banking Authority maintain registers of appropriately regulated Third Party Providers which you can access to confirm the Third Party Provider is authorised.
- c. If you have provided consent to a TPP to access your OnePay Account information then as long as they identify themselves and act in accordance with regulatory requirements, we have to provide them with such access if they request it. We shall treat such an instruction from a TPP as if it were from you and our terms and conditions still apply.
- d. We may block a TPP from accessing your OnePay Account in certain circumstances e.g. we are concerned that they are acting fraudulently or without authorisation. If we do this, we shall try to let you know beforehand or as soon as possible thereafter unless we cannot for security reasons or are prohibited from doing so by law.

- e. If you would like to withdraw your consent to a TPP, you must contact the TPP directly.
- f. If you have any concerns that a TPP is acting without your consent, we recommend that you contact us straight away.
- g. We are not a party to or responsible for any agreements between you and the TPP and we take no responsibility for the information or services provided to you by the TPP at any time.

8. Checking your OnePay Account

- a. You can check your Available Balance, transaction history, enable or disable your OnePay Account and reveal the PIN by logging in to your Online Portal or the App, or by contacting Customer Services.
- b. You acknowledge that balances and Available Funds shown in your Online Portal/the App are only approximate real time balances rather than the settled balances in the OnePay Account. A real time balance may not take into account pending Transactions. We will provide you with information on any pending Transactions as soon as we have the information. We will also deduct any applicable fees as soon as they become payable by you (see the Packages, Fees and Limits Section 15).
- c. You will receive either an SMS message or an email each month advising that your statement of account is available in your Online Portal and in the App.

9. Termination and expiry

- a. By submitting a completed and signed application form to us and/or by using your OnePay Account you have accepted the terms and conditions of this Agreement.

- g. Your Card will be valid for the period ending on the expiry date indicated on your Card ("Expiry Date"). On the Expiry Date, your Card will cease to function and you will have no further right to use it for Transactions.
- h. If either party terminates this Agreement in accordance with this Section 9 we will immediately cancel any Cards.

10. Keeping your Card and OnePay Account secure

- a. If you believe that a Transaction has been incorrectly executed or was not authorised by you, you must inform us immediately via Customer Services. Failure to notify us immediately on becoming aware or, in any event, within 13 months from the date of the unauthorised or incorrectly executed Transaction will result in you losing your entitlement to have the matter corrected.

If you would like us to raise a Chargeback to try and resolve the matter and we (in our absolute discretion) consider it is appropriate to do so and that you are eligible and have legitimate reasons for this, we will make reasonable efforts to try and chargeback the transaction however we cannot guarantee this will be successful. We may (in our absolute discretion) charge you an administration fee for raising the chargeback (as set out in Section 15 below) and we will confirm this to you before we commence the chargeback process on your behalf. We will also give you other relevant information such as the maximum time periods in which Mastercard can take to adjudicate a chargeback and when we are likely to be back in touch. The first package fee (or a proportionate part thereof) shall be charged to your OnePay Account immediately on first load. All subsequent package fees will be charged monthly in advance on the first day of each calendar month (the "Billing Cycle"). You can change your fee package at any time. On receipt of a package change request you will be charged the new package fee (or a proportionate part thereof) immediately. If funds are subsequently paid into your OnePay Account before you have repaid what you owe us, we may deduct the amount owing (or a proportionate part thereof as appropriate) without giving notice to you. Whilst any amount remains owing by you under this clause, we may suspend/terminate your Card/Account at our absolute discretion.
- f. Depending on the way you use your OnePay Account, there may be other limits beyond our control. For example, certain cash machines may have their own limits attached, which could be less than the limit on your OnePay Account.
- g. You may have to pay third parties for the use of services connected with your OnePay Account (for example, a mobile phone, or app provider). Any such fees and/or charges are your own responsibility.
- h. We have no control over third parties that may apply a charge to you for processing a Transaction or who convert the local currency into other currencies and charge a rate or spread for doing so.
- i. If you are a Pay as You Go (PAYG) Customer and you do not use your OnePay Account for transactions for 60 days, your OnePay Account will be deemed "inactive" and an inactivity fee (or a proportionate part thereof) shall be charged to your OnePay Account on the last day of the month in which your OnePay Account is deemed inactive.
